

A warm welcome awaits you at Budemeadows. We want you to enjoy your visit and find our park the perfect place to enjoy your Cornish holiday.

Budemeadows boasts a heated outdoor pool* surrounded by an enclosed grass area provided with sun loungers. The pool is heated and kept at around 28°C and the adjacent toddlers pool is usually warmer still.

The site shop* stocks a range of groceries, sweets, ice creams, toys and camping equipment.

Grumpy Pete's Bar* provides a sheltered nook for a refreshing drink, which many of our guests have said adds to the continental feel of the park as a whole. As well as wines, spirits and a range of local beers the bar serves tea, freshly ground Italian coffee and our famed hot chocolate. If you are feeling peckish we bake cookies most mornings in high season and the occasional batch of muffins. There is also a range of board games available for use in the bar, but don't get the Monopoly out unless you are ready for a long session.

The pitches are set out in small groups separated by hedges and fences so you won't find yourself pitched in a row in a field. The borders of the park are hedged with small trees, big enough to provide some shelter but not so large as to hide the views over open fields to the East and towards Bude to the North.

Aside from the beaches at Widemouth Bay and Bude there are numerous attractions in the area and a range of tourist leaflets is maintained in our information centre which is open 24 hours a day.

Local places to visit include Tintagel, the site of King Arthurs castle, the picturesque village of Port Isacc, where the TV series Doc Martin is filmed and, a little further down the road, Padstow with its harbour and the location of celebrity chef Rick Stein's restaurant.

To the North several of Devon's key attractions are within easy reach: The Milky Way, The Big Sheep and Clovelly are all less than 30 miles away and the Cornwall Crealy adventure park is near Padstow to the South.

The local beaches are noted for their surf. There are several surf shops where boards and wetsuits can be hired and surf schools where you can learn to surf. If your balance isn't up to a full surfboard then body boarding is an easier alternative and catching a wave is fun for all.

Local Information

Our nearest beaches, about 1 mile away, are at Widemouth Bay and are lifeguard patrolled in the summer. The South beach is dog friendly year round. Summerlease and Crooklets beaches at Bude are only 4 miles away. All are popular with both surfers and families.

Widemouth Bay has a choice of pubs at each end of the bay, both serving food and offering great views of the spectacular sunsets. There are several excellent pubs and restaurants in Bude and the surrounding villages and your hosts at Budemeadows will be pleased to give you their personal recommendations.

Bude (4 miles north) is an unspoilt town set on a historic canal and has a good selection of small shops and supermarkets. There is an abundance of leisure activities including golf, tennis, squash, horse riding, fishing, 10 pin bowling, go-carting, walking, leisure pool and water sports.

Bude and Widemouth Bay are both on the South West Coastal Path and there are numerous walks and beauty spots in the area.

Budemeadows is a family park catering for touring caravans, tents and motorhomes. We extend a warm welcome to all our visitors and guests, and hope that your stay will be most enjoyable. Our personal aim is to make your visit both memorable and pleasant so you will want to return, year after year. Locally you have a wonderful coastline and countryside to explore. We are in Cornwall but also in a great location for the main attractions of North Devon. The Eden Project is just an hour away or maybe you fancy a voyage to remote Lundy Island.

Facilities on site include:

- Landscaped park with pitches laid out in small groupings around the site.
- Open all year; hardstanding/all weather pitches available.
- A licensed shop to serve most needs*.
- Grumpy Pete's Bar for wines, spirits, beers, fresh ground coffee, tea, hot chocolate and home baked cookies*.
